----------------------------------	---------------------------

### **Data Centers**

NASA/CDDIS

point of contact: Carey Noll

IGN

point of contact: Edouard Gaulué

### **Analysis Centers**

CNES, France

point of contact: Jean-Paul Berthias

CSR, USA

point of contact: John Ries

IGN, France + JPL, USA

point of contact: Pascal Willis

INASAN, Russia

point of contact: S. Tatevian

LEGOS/CLS, France  
point of contact: Jean-François Crétaux

SSALTO, France  
point of contact: Gilles Tavernier

Analysis Centers which may contribute in the future:

ESA/ESOC, Germany  
point of contact: John Dow

Geodetic Observatory Pecny, Czech Republic  
point of contact: Jan Kostelecky

Geoscience Australia  
point of contact: Ramesh Govind  
IAA, Russia  
point of contact: Eleonora Yagudina

Royal Observatory of Belgium, Belgium  
point of contact: René Warnant

University of Newcastle, UK  
point of contact: Philip Moore

### **Working group**

Station selection group  
Chair: Frank Lemoine  
Members: Eric Calais (CNRS), Chuck DeMets (University of Wisconsin), Hervé Fagard (IGN), Ramesh Govind (Geoscience Australia), Bruce Haines (JPL) , Kristine Larson (University of Colorado), Frank Lemoine (GSFC), Seth Stein (Northwestern University), Simon Williams (Proudman Ocean. Lab.)
