Instruction to presenters, co-chairs (see Welcome Letter and mails from Symposium's organization team)

- Every presenter, oral or poster, is invited to append a "recommendations" slide/text box to their presentation
 - Co-chairs are asked to collect the highlights and the recommendations after each session block
 - One IDS member will make a brief presentation on Friday summarising the highlights and the recommendations from the Workshop
- + Highlights and the recommendations will be presented at the IDS Governing Board meeting

Presentations in PDF will be made available on the IDS website (unless not allowed by the author)
